RE: Residency

I would like to emphasize a point to all managers regarding your softball rosters. As the manager, you are responsible to verify that all addresses turned in are correct. If a player does not live at a Green Bay address within the city limits, they must pay our non-resident fee before they play in any games. Many postal addresses or driver's licenses indicate Green Bay, which include Allouez, Bellevue, Howard, Ashwaubenon, etc., but that does not mean they live in the Green Bay city limits. Therefore, please make sure the fees received by us are correct. If it is found that a residency is incorrect or has been falsified, all games in which that player has participated up to that point will be recorded as FORFEITS.

****Team players or managers must notify our department if they move out of the city limits during the course of the season, and appropriate fees must also be paid.**

If you would like to double check your roster addresses before the season starts, I encourage you to do so by clicking this link: <https://prod-landrecords.browncountywi.gov/GCSWebPortal/Search.aspx>. Once you're on their website click on the I Accept terms button, at the next screen enter the player's address into the Property Address section then click the Search For Properties button. Scroll to bottom of screen, under the Municipality column you will see which City the address is located in. Call us at (920) 448-3365 if you have a specific question.

Thanks for participating this season and good luck!
